REPLY TO QUAYLE OFFICE ACTION

Sir:

In response to the Quayle Office Action issued on May 1, 2007, applicant respectfully contends that the declaration is not defective and meets the requirements as set forth in 37 CFR 1.63(b)(1). The undersigned spoke with the Examiner via telephone, and it was agreed that the declaration, as filed, adequately identifies the application by identifying the Title and Attorney Docket Number of the application to which it applies. The Examiner agrees that a new declaration is not required. This reply is timely and no fee is due.
